MiMedx now under investigation by DOJ enforcement & VA

Viceroy Research

Viceroy has received responses to two Freedom of Information Act (FOIA) requests lodged after the publication of our initial report, one from the Department of Veterans Affairs and the other to the Department of Justice.

[PDF Download Link](#)

Both agencies withheld all requested documents under 5 U.S. Code § 552 5(b)(7)(A), which provides an exemption for agencies to make available public documents as it could “reasonably be expected to interfere with enforcement proceedings.”

Viceroy now believe MiMedx is under formal investigation by the DOJ, the DVA and the SEC.
